

AWDPP OVERVIEW

- In June 2022, the rollout commenced of the [All Wales Diabetes Prevention Programme \(AWDPP\)](#) with embedded evaluation
- Welsh government funding is supporting delivery of the AWDPP in 14 primary care clusters (two per health board) across Wales
- In some health boards, other sources of funding are being used to extend the rollout of the AWDPP
- This report presents activity data for the first two years of delivery of the AWDPP between June 2022 and June 2024

Where is the AWDPP currently available?

Colour Key:
